Student Y Rally Tonight Features Skits, Slides, 'Sing'

As a preliminary to the Asilomar conference to be held in late December the Student Y will hold an Asilomar rally in its lounge tonight at 7:30 o'clock. The lounge is located at 220 S. Seventh.

Miss Jean Justice, chairman of the event, said that the purpose of the rally will be to acquaint anyone interested in attending the conference with its purpose and set-up.

Tonight's rally will feature colored slides of former Asilomar conventions as well as skits, community singing and refreshments. Miss Justice, Helen Davis, Mary Kay Kelley and Marie Herold will give short talks on the significance of the conference. The Asilomar twins also will be introduced.

The Asilomar convention is an annual affair attended by student YMCA-YWCA groups of the Pacific Southwest Region which includes Hawaii, California, Nevada, and Arizona. It will be held this year from Dec. 26 through Jan. 1.

There is no limit as to the number of delegates, but Miss Justice emphasized that only students who are really interested are encouraged to attend.

Theme of the conference will be, "Achieving Personal Maturity."

County Testing Plan Discussed

Mrs. Eugenia Sorensen, Santa Clara county audiometrist, will talk to members of Dr. Margaret Letzter's advanced remedial speech class Wednesday at 3:30.

Mrs. Sorensen will discuss the county testing program for children with a hearing loss.

Interested speech or education students are invited to attend.

UP ROUNDUP

J. Parnell Thomas Faces Four Counts

In the salary "kickbacks" trial involving Rep. J. Parnell Thomas and Miss Helen Campbell, the lawyer for Miss Campbell told the jury that she did not participate in any conspiracy to defraud the government, but had voluntarily given information to the Justice department. Thomas and Miss Campbell are charged with conspiring to defraud the government, while Thomas is charged alone with three other counts of filing false vouchers.

In the trial of Harry Bridges, Federal Judge George B. Harris denied a defense motion that he disqualify himself. Harris said the motion was defective which charged him with "bias and prejudice." Prosecution witness John Schomaker testified that Bridges signed an application for membership in the Communist party in 1933, and that he later helped enroll new members.

The Isbarandtsen freighter Sir John Franklin became the third American vessel to be fired on within the past two months when it was shelled yesterday while enroute from Hong Kong to Shanghai.

At Lake Success, American Ambassador-at-Large Philip C. Jessup told a committee of the UN General Assembly, "It will be for the people of China to decide whether the Communist movement in China is a crusade to improve the life of China and its people."

Dr. Phillips Will Speak at Costa Hall Tonight; All Students Welcome

Several College Faculty Members Indicate They Will Pop Questions

By JACK RUSSELL

Dr. Herbert J. Phillips, admitted Communist, will speak in San Jose tonight at 8 o'clock on the subject of "Academic Freedom". The speech will be given at Costa Hall, 15 S. 3rd street, according to Bernard Schorr, spokesman for a group of interested SJS students.

There will be no admission charge and all students are welcome to attend, said Schorr. An open forum will be held after the speech and Dr. Phillips will answer questions. Several members of the college faculty have indicated that they will attend and question the former University of Washington philosophy professor, according to Schorr.

Dr. Phillips has just returned from a speaking trip to the Northwest where he addressed the citizens of Corvallis, Ore., site of the Oregon State college. The previous week the professor spoke in Berkeley at the Trinity Methodist church.

Last January the field of education was taken by storm when Dr. Phillips and two associates, Dr. Ralph Gundlach and Dr. Joseph Butterworth were fired from the faculty of the University of Washington because they were alleged "Communists."

University President Raymond Allen declared, in making his decision, that, "A teacher may be ever so sincere in his belief in Communism, but can he at the same time be a sincere seeker of the truth? . . . My answer is 'No!'" Phillips and Butterworth admitted their affiliation with the party line.

The case was brought to the Superior court in the State of Washington. Phillips admitted that he was a Communist and was acquitted at the trial. Dr. Gundlach was found guilty of refusing to say whether or not he was a Communist and was fined \$250 and sentenced to 30 days in jail.

Council to Fill Vacant Post

A sophomore class representative to the Student Council, replacing Dick Russo who resigned last week, will be named at today's weekly council session at 3:30 p.m. in the Student Union.

Two applications in writing have been received at the student office. Lud Spolyar and Jinx Johnson have both applied for the vacant position. Russo, last week, recommended that Spolyar be appointed to fill the vacancy. The council decided to accept all applications.

The date for a new Blood Bank drive will also be set by the council at their meeting. The council service fund project for student loans also is listed on the agenda.

Psych Exam Set

Psychology majors and graduate students who desire to enter graduate study here will be given a comprehensive examination Dec. 9, Dr. Raymond M. Mosher, department head, announced yesterday.

Colored Films To Be Shown

The Sierra club and SJS Natural Science department will sponsor a sound and color film showing 'Jasper National Park, Alberta, Canada tonight at 7:45 o'clock in room S112. Dr. Carl Duncan announced yesterday. The motion picture will be accompanied by colored slides taken this summer in the Lake Louise area.

"A Ticket to Jasper," the travelogue, has been prepared by the National Film board of Canada. Mr. Don Woods, instructor in chemistry and biology at San Jose high school, will show the 16 mm film and colored slides.

This summer Mr. Woods took pictures of the Canadian Rocky mountains in the area 50 miles north of Lake Louise. He attended the summer camp of the Alpine club of Canada and is a Sierra club member.

Dr. Duncan stressed that everyone is welcome to attend the film presentation.

'30' Club Ends Trip Signup

Deadline for sign-ups for the "30" club field trip to San Francisco, Saturday, Dec. 3, has been set at 1:30 p.m. Wednesday, according to Chairman Harry Britton.

Club members and their guests will visit the American Weekly Printing Plant, 155 Townsend street, at 9:30 a.m., and will meet at Tarantino's Restaurant on Fisherman's Wharf at 1:30 p.m. for lunch.

'Mary' Reviews the Troops

Joan Buechner learns about army life as she reviews an ROTC unit with Major Howard E. Brown, assistant professor of Air Science and Tactics, and Cadet Russell K. Ford, in preparation for her role as Mary in "John Loves Mary", being presented Dec. 8, 9, 10, 12, and 13 in the Little Theater.

SJS Student Entertainers Urged to Sign With Newly-formed Talent Placement Bureau

A new set of initials has sprung up on the campus. Taking its rightful place alongside such groups as WAA, WSSF, IFC, and SAB comes T.P.B. (Talent Placement Bureau.)

The bureau is the product of two Spartan students who long felt that there should be an up-to-the-minute system of organizing and gathering school talent for rallies and shows. The two students, Dick Paganelli and Stan Sadler, are now ready to put their placement bureau into use under the sponsorship of the Social Affairs committee.

The budding "Earl Carrolls" went to school together at San Francisco City college. Paganelli

is a junior psychology major, while Sadler is a junior art major. Sadler takes time out from school work and the bureau to draw the Spartan Daily's feature cartoons, "Stan's Slants". Paganelli has appeared in several college plays, among them, "King Lear" and "Three Men on a Horse."

The talent bureau will bring together the varied talents on campus. A file of names and addresses of various entertainers is compiled and kept on hand for quick reference in case of a rally or show.

Every type of person from the lighting technician to the stagehand and emcee, script writers,

Spartans Almost Lose Their 'Head' At Fresno Clash

Fresno State rooters nearly captured the Spartan's unnamed symbol at the Thanksgiving Day grid clash. The "Head" was saved from a fate worse than death by the quick work of ASB Prexy Don Schaeffer and two anonymous helpers.

Schaeffer, NCAA heavyweight boxing finalist last year, warned the two Spartans who had the costume and head that the Bulldog supporters were on the loose. The three threw up a strong defense and the "Head" was saved for the Rally committee's big contest to determine its name.

Banner Captured

The Fresno supporters did capture the huge "San Jose State" banner which was posted above the Spartan rooting section. They lost the game, they lost the "Head", but they did get the Spartan's flag.

Students to Decide

The third name to be entered in the balloting for the SJS symbol will be selected today or tomorrow, said Contest Chairman Ed Mosher. The names picked already are "Mr. Spartan" and "Sanchiiles."

Three names chosen by the Rally committee will be voted on by the entire student body. Five dollars will go to the student who submitted the winning name; three dollars to the second choice; and two dollars to the third place winner.

The Spartan Rally committee is making peaceful efforts to reclaim their lost banner from Fresno. "At least we didn't lose our symbol like Santa Clara did to St. Mary's (The Little Big Game Bell)", declared Glenn Stewart, committee chairman.

The identity of the student who wears the "Head" and the Spartan costume at football games and rallies is kept a secret by the Rally committee. The anonymous student is known only to the executive committee of the Rally group.

SJ Student Files Accident Suit; Charges Injuries

Dan B. Forrest, freshman engineering major, has filed a suit in San Jose's Superior court asking \$37,000 from Rosebud H. Malato for injuries allegedly suffered Nov. 4 when the defendant's automobile collided with his motorcycle.

The accident occurred at W. San Carlos and Delmas avenues. Forrest is represented by Atty. S. F. Holstein.

idea men, dancers, and all forms of technicians are urged to sign into the bureau, said Paganelli. Also included on each card in the file will be the type of entertainment or act the individual or group performs.

The bureau is open for service to any organization or group on campus who wishes to place a call for entertainment. Entertainment may be provided off campus if proper authorization is obtained through the proper channels.

"The only thing we lack now is entertainers," lamented Paganelli. "Any student on campus who qualifies can pass a simple audition and we will catalog his act."

Frosh Will Have Rah Rah Section, Boxing Team

The freshman class will support a team in the Novice Boxing tournament to be held in the Men's gym beginning tonight and will support its team with a rooting section.

Rooters will be drawn from the four freshman groups, according to Tom Sparling, president of the freshman class committee. The four groups will take charge of the rooting section each of the four nights of the tournament.

The yell leaders for each group will lead rooters in yells and skits, said Sparling, who guarantees freshmen a "terrific time". All freshmen are urged to attend the tournament to support the team. "You don't have to be a member of a frosh group to root," concluded Sparling.

Members of the freshman boxing team, coached by Vic Viviano, are Lee Herion, Bob Viviano, Aggie Salazar, Jack Domrose, Buzz Cochran, Dick Hall, and Spence Fine.

Dr. Kaucher Speaks to Club

Dr. Dorothy Kaucher, professor of speech, was guest speaker at a recent meeting of the San Jose Players club.

She spoke to more than 35 members of the honorary society for speech and drama majors. Her topic was "The Little Theater: from 'Uncle Tom's Cabin' to 'Faust'."

She discussed the development of San Jose State college dramatics and told of her visit to the Shakespeare festival in Stratford-on-Avon.

Gen. Sec. Students!

General secondary students and candidates for the Master of Arts degree are required to take the General Culture test. Some transfer students completed the test when personnel tests were given.

Students who have not met the requirement may take the test Saturday, Dec. 3, at 1 p.m. in the Morris Dailey auditorium. Further information may be obtained at the Personnel office.

Hermanns Enables 12 SJS Veterans To Have Turkey

O'Brien's restaurant was the scene of a festive occasion Thanksgiving Day when Dr. William Hermanns, German teacher, and 12 out-of-town veterans had Thanksgiving dinner.

This is the third year that Dr. Hermanns has sponsored the holiday event. He plans to arrange the party next year also.

Men and women veterans who were far from their homes and did not have a Thursday dinner invitation were contacted by the German professor.

Dr. Hermanns wishes to make public thanks to Charles O'Brien of the restaurant for the enjoyment of their Thanksgiving dinner.

Class Officers Make Plans for Junior Prom

These junior class officers elected last month now are making preliminary plans for the Junior Prom. Left to right are Pete Ciricelli, president; Jeanne Kerwin, secretary; Pat Goulder, treasurer; and Dave Brown, vice president.

Outlawing Communists Topic for SJS Forum

By HELEN DAVIS

"Should the Communist party be outlawed in the United States?" This is the topic of the Student Forum for the fall quarter, which will be held in Morris Dailey auditorium Wednesday night at 8 o'clock.

The question to be discussed by advanced public speaking students of Dr. Lawrence Mouat and Mr. Ted Balgooyen is focused on the right of the Communists to continue as a political party in this country, and on the practical dangers of allowing them to keep their political identity.

Gerrie Lopes, speech and drama major, will open the argument by declaring that we should outlaw the Communist party now. Her speech will attempt to show that undemocratic activities of American Communists can be curbed only by law.

Stab in the Back

Home Goehler, who holds a law degree and is preparing for California bar examinations, will support Miss Lopes' stand by showing how courts could be used to keep Communists from "stabbing us in the back."

Marcia Birkholm and William Gillis, speech majors, both agree that outlawing the Communists would not solve the problem and will point out that suppression of a political party means suppression of many freedoms which are closely allied with expression of political beliefs.

Supporting material will try to show that historically and politically suppression has never succeeded in coping with the dangers of Communism.

Everyone May Attend

The forum is free and is open to the student body and the general public. The program will last 40 minutes. After the speakers have presented their views, the meeting will be thrown open for questions from the audience.

Chairman for the forum is Charles Frusette.

JOHN LOVES MARY
STARTS DECEMBER 8

SJS P.E. Leaders To Attend Confab

The 12th annual conference of the Bay section of the California Association for Health, Physical Education and Recreation will meet on Sunday, Dec. 4, for an all-day session at San Leandro high school.

More than 15 representatives from San Jose State college's men's and women's P.E. departments will attend the session.

Dr. Irene Palmer, head of the women's P.E. department, will act as resource chairman for her discussion group which will be led by Dr. Carl Voltmer, professor of P.E. from COP.

Oliver E. Byrd, professor of education and director of the Department of Hygiene at Stanford university, will be guest speaker at the luncheon.

Following the luncheon, the session will be divided into many small groups to discuss the conference theme, "How Health, Physical Education, and Recreation Can Contribute to the Development of the Individual."

Summerizer at the afternoon session will be Dr. Jesse Feiring Williams, professor emeritus of health education at Columbia university.

Iranian Student To Leave Hospital

Mohsen S. Haery, 27, mathematics major from Teheran, Iran, who sustained a broken left knee when he was struck by an automobile at Third and William streets Monday evening, Nov. 21, is due to leave San Jose hospital today, according to Dean of Men Paul M. Pitman.

Dean Pitman visited Haery last weekend and says that he has a cast on his leg and will be on crutches for about six weeks. Haery's friends may contact him at 405 N. Third street.

Haery is one of five Iranian students enrolled at San Jose State college. He attended the University of Teheran in Iran prior to enrolling at SJS. He is a teacher training student.

Treasurers Read!

Treasurers of the following campus organizations are asked to contact the office of Graduate Manager Bill Felse as soon as possible:

Alpha Chi Omega; Class of '50 (seniors); Class of '51 (juniors); Pi Omega Pi; Theta Chi.

Funeral Services For SJS Student To Be Held Today

Funeral services for Nicholas Saccullo, 21, San Jose State college student from San Martin, will be held today from Habing Funeral chapel in Gilroy. Saccullo died in Wheeler hospital in Gilroy Saturday noon from injuries suffered when he was struck by a car Oct. 27 on Monterey highway near San Martin.

Saccullo was employed part-time at a service station, and was filling the gas tank of a car stalled across the highway when he was struck by an automobile driven by Mrs. Jeanette Johnson of Gilroy. She was not held.

Member of Gilroy council, Knights of Columbus, Saccullo had lived in San Martin since his discharge from the Army Air Force in February of this year, following three years' service. He was not married.

Surviving are his parents, Mr. and Mrs. Dominic Saccullo Sr., and two brothers, Dominic Jr. and Thomas, all of San Martin; brothers, Louis Saccullo, Gilroy; Joseph Saccullo, New York City, and one sister, Mrs. Sally Resz, San Jose.

Requiem high mass will be celebrated in St. Mary's Catholic church this morning and interment will follow in St. Mary's cemetery. Members of John A. Berri Post 6309, VFW, will be in charge of graveside military rites.

Just Among Ourselves

By DR. T. W. MacQUARRIE

The football season is over, and while I have enjoyed our success, and even thrilled over many of the plays, still what strikes me all the time, is the terrific, hard work those men have to do to get ready.

I have seen the squad practicing a number of times this fall, and each time I have come away with a deep feeling of appreciation for the devotion and spirit the men show, and the bumps they take.

I doubt if anyone in the stands can appreciate the toughness of a football game. A minor bump, not even noticed by a trained player, would put you or me out of business. Some of the blows are what the sportswriters call lethal, and each time the man comes up with a smile, a joking remark, or perhaps a little irritation that he let himself be taken in so handily.

A course in football must be quite an education. Certainly the player learns to control his temper no matter what the provocation. Certainly he learns how to take hard bumps and give them. Certainly he gets into the spirit of team work. Formal discipline or not, I can't help thinking football training must carry over for good in other fields.

I have great admiration for those men in our football squad. They have worked hard and for long, weary hours. To Captains Jack and Harley, to coaches and players, the thanks of San Jose State college.

Felse Asks to See Part-time Students

The following part-time student employees are requested to report to the office of Graduate Manager Bill Felse:

Bob Siebert, Lee Jensen, Jack Marcelpan, Al Oliver, Warren Van Buren, Greg Sargent.

12 Accept Pledge Pins Of National Organization

Climaxing a series of informal get-togethers the Gamma Epsilon chapter of Delta Sigma Phi, national social fraternity, pledged 12 men for the fall quarter.

Those wearing the green and white pin of Gamma Epsilon's first pledge class are Victor W. Holshevnikoff, Mervyn Wagner, Larry A. Mumma, Kenneth L. Maddux, Richard W. Grosser, Gale F. Morelock, Delbert F. Knight, Donald E. Harkness, Jack E. Pate, Joseph S. Graziano, Donald Burklo and Tad Johnson.

Chem Students Tour Bay Area

Chemistry majors and Science department faculty members toured three Bay area concerns Friday to see various phases of research and refining. The trip was sponsored by the SJS chapter of the student affiliates of the American Chemical society.

At the Standard Oil refinery in Richmond the party toured the plant by bus and ate lunch in the company cafeteria. Later the 18 students and faculty members visited the California Research corporation, a Standard Oil subsidiary, and saw experiments with detergents including soil, oil and grease tests.

To complete the afternoon, a visit was made to the Western Regional laboratory at Albany. Here the visitors were briefed on the effective utilization of farm by-products and waste. Several years ago chemists at the laboratory discovered that turkey and chicken feathers could be turned into fertilizer, according to Dr. Benjamin F. Naylor, SJS associate professor of chemistry. This is but one of the developments in modern agriculture made through the laboratory, he said.

The faculty members accompanying students were Dr. Naylor, Dr. H. Murray Clark and Mr. William Sutphen.

Novice Tourney Starts 4-Day Stay at SJ State

By WADE WILSON

With all the pomp and ceremony of a three-ring circus, the 13th Annual Novice Boxing tournament begins its four-day stay on the San Jose campus tonight at 7 o'clock.

There are 71 hopeful participants entered in this gigantic classic that will find ten newly-crowned champions of the novice classes wearing the coveted crowns come Friday night. This is the largest novice tournament ever to be held on the Washington Square campus.

Boxing coach Dee Portal is more than happy to find so much enthusiasm shown in this annual affair. He feels that all the boys entered will learn more about this collegiate sport. The sport is here to stay and Dee has done much to see that the public will see good clean boxing instead of the slam-bang contests in the public arenas.

There will be a redraw for opponents in the 175 pound class in the gym today at 10 o'clock.

Many new "finds" for the varsity boxing team are found each year. Student Body President Don Schaeffer, finalist in last year's National tournament, is one of the finds from previous years. Mac Martinez also a finalist in the Nationals, is another of the boys that began in the Novice tournament. Both of these men have teams entered in this year's tourney.

Square off Tonight

In tonight's opening bouts the following men will compete in the 145 pound class for the right to go on to the finals: Leland Willman, competing under the SAE colors, will meet Doug Wilson of the Delta Sigma Gamma team. Ronald Menzies, AOP and Sigma Pi entry, will square off against Bob Viviano of the Frosh team. SGO entry Bill Patton opens the first round of the tourney against Bob Meyers of the SAE team.

Mangioli Marino, Delta Sigma Phi hopeful, starts his first night bout with Al Brenda of the Collegiate Christian Fellowship team. Jim Kane, Phi Sigma Kappa boy, meets Ronald Gianotti of the KKK team. DTO Ralph Payne meets Duke Deras of the Lambda Chi Alpha squad. Melvin Reabald, Kappa Alpha entry, and Bill Galli drew byes in this opening night round.

The 155 pound weight division has eight bouts on tonight's card. The men and organizations follow: Bill Pappas, member of the Frosh team, will open against Bill Cherry on the KKK club. Shelley Smith, competing for the AOP and Sigma Pi team, goes against SGO entry Bob Wood. Delta Upsilon competitor George Coakley tries his first round bout with Chuck Barrena, boxing for the unattached team managed by John Scott and Cal Pitts.

Tries Skill

DTO entry Paul Barkman tries his skill against Harry Powers of the Delta Sigma Gamma team. Don (Rocky) Ansil, competing for the Police fraternity—Chi Pi Sigma—draws Matt Brazil of the Lambda Chi Alpha for his opening round. Ray Scholl, wearing the colors of the Delta Sigma Phi team, toes off with Earl Trunbull of the Theta Chi's. Phi Sigma Kappa entry Bob Ross draws CCF Al Miller for his opponent. Art Budros, Kappa Alpha participant, squares off with Buddy Traina of the SAE team.

For the 165 pound class the following men will compete tonight for a chance of winning and going on to the finals: Tony Poshepny, boxing for the Delta Sigma Gamma, will meet Darell Dukes of the Delta Upsilon team. Delta Sigma Phi entry Bill Severns takes on Tino Donaire of the DTO team. Claire Tellier of the Phi Sigma Kappa team hopes to rack up Bill Mendosa of the SAE squad.

Theta Chi entry Dick Chappell meets Fred Bortera of the Frosh. KKK hopeful Don Leclercque squares off with Cliff Tucker in this opening night round.

Romero Hurt, Crampton Up

By GEORGE McDONALD

San Jose starts its 1949-50 basketball season this Thursday against USF at Kezar Pavilion in San Francisco without Ralph Romero, first string guard.

Romero, a two-year letterman who specializes in defensive backboard work, sprained his ankle in a pre-Turkey day workout. This, coupled with Bob Enzensberger's ineligibility, leaves only Bob Wuestoff at the guard position.

Romero's sprain at first thought to be quite serious, is coming along fairly well. Coach Walt McPherson thinks that he may be ready for the St. Mary's game on Dec. 7. This game opens the Spartans' home season, and gives them a chance at the glass backboards.

Chuck Crampton, 6 ft. 2 in. guard from Lincoln high, returns to the guard position to replace Enzensberger and Romero. Crampton, a "fancy Dan" who spends most of his time in learning how to "dunk" the ball, played guard last year. This year, McPherson figured to switch him to forward. Crampton's best shot is a two-handed set from far out.

The Spartans held two workouts during the Thanksgiving vacation. This was to give football ends Junior Morgan and Billy Wilson a chance to work out with the basketball team. Morgan and Wilson have just joined the squad, after finishing their grid chores. The husky Morgan is used as a reserve center. Having natural spring in his long legs, Morgan would be a star at the court game if he took the time to learn its intricacies. But he likes to play football and high-jump.

"Snuffy" Wilson is inserted into the game when the Spartans need more beef to go with their height.

Spartan Skiers Get NISC Invite

The San Jose State Ski team received an invitation to the National Intercollegiate Ski championships, Richard Robinson, team captain, announced recently.

The race is to be held at Aspen, Colorado, during the Christmas vacation. Aspen is the site of the FIS World championship downhill and slalom events. The San Jose skiers placed 12th last year in this meet, which was won by Middlebury college.

Instead of the slalom race as one of the events this year, a giant slalom will be held. The giant slalom will be run over the lower half of the downhill course, and will be about three-quarters of a mile long.

DeWitt (Dee) Portal, San Jose State boxing coach, pictured above, has frankly admitted he is amazed by the enthusiasm shown this year for the annual Novice Boxing Tournament. Portal hopes some prospects may be uncovered to help the Spartans in their quest for the NCAA boxing title in 1950.

Water Polo Sked Ends Saturday

Water poloists of SJS end their season this Saturday afternoon after a two-week layoff when Cal Aggies of Davis bring their varsity and junior varsity teams to Spartan pool. The Aggies fell before the Spartans, 13-4, in the season opener Oct. 6.

The San Jose team has played 11 games this season. They have won six, lost three (two to UC), and tied two (Stanford, both times). The last time the Spartans were in the water, in the PAA tourney in San Francisco, they defeated the Indians, 12-11, in an extended overtime game.

Hamline Favored To Retain Crown In L.A. Tourney

LOS ANGELES, Nov. 28 (UP)—Hamline university, of St. Paul, Minn., will defend its 1948 title against seven other teams in the Los Angeles Invitational Basketball Tournament, Director A. O. Duer said today.

Hamline was tabbed again as the team to beat among contenders Gonzaga, Brigham Young, San Jose State, Culver-Stockton of Canton, Mo., Whittier and Pepperdine.

The eighth team in the tourney, which runs from Dec. 12-16, will be the winner of the Redlands university tournament opening Thursday.

Touch Football Results

Last night on the San Carlos turf the sudden-death playoff began with the Rams defeating Martinez to the tune of 13-6. The other game to be played in the first round found the Hillel team forfeiting to the Vaqueros by the score of 6-0.

Tonight the Ghost Riders meet the Chi Pi Sigma club at 4:30 and the Pratt Fratus club will tangle with the Music Department at 3:30. The winners of these games will meet in the semi-final rounds the following night.

BIGGEST CUP OF COFFEE IN TOWN

NORD'S 5¢ NORD'S 105 EAST SAN FERNANDO

Spartans Vote Big 'If' On Raisin Bowl; Will Play a 'Suitable' Team

If the Raisin Bowl committee can find a "suitable opponent", the San Jose State Spartans will journey to Fresno on Dec. 31 to play in that town's version of the post-season bowl game.

The football team that represents the Gold-and-White voted this conditioned acceptance in a meeting yesterday in a room that was strewn with raisins.

SJS Harriers Run Saturday At Cal Poly

San Jose State harriers will join nearly 100 leather lungers representing seven colleges and nine junior colleges participating in the first annual California Poly Invitational Cross Country run in San Luis Obispo this Saturday.

The University of Southern California harriers, with such standouts as Bob Cherry, Jim Newcomb and Bob Pruitt, are rated early meet favorites, but they will have stiff competition from the University of California at Los Angeles, San Jose State, Los Angeles State, Santa Barbara, and Fresno State.

Top junior college teams both from southern and northern California will enter the junior division. Entered are Los Angeles City, Riverside, Glendale, Pasadena, Mt. San Antonio, Sacramento, Santa Ana, Modesto, and Hartnell. In a five team cross country meet last week Glendale barely lost to a highly favored UCLA squad, which should make the Glendale squad the major threat in the junior division.

Coach Walt Bealey's Spartan squad will be closing their 1949 season without the inspirational running of their undefeated co-captain Dore Purdy, but the team is determined to close out the season with at least a revenge victory over Cal Poly.

The Spartan squad, composed of co-captains Purdy and Marion Day, Jim Lund, Jim Simpson, Al Weber, Bob Weber, Norman Bottelo had rolled relentlessly over all their opponents until the College of Pacific Invitational two weeks ago when, without the aid of Purdy, the team suffered a two point loss to the Cal Poly Mustangs.

Freshmen Simpson, Bottelo and Al Weber indicated their intentions for this final meet and for future races in years to come by pushing their way to victory in last week's Turkey Trot.

The Invitational will get under way at two p.m., Saturday, Dec. 3, with the junior colleges traversing a three mile course and fifteen minutes later the senior colleges will match strides over an elongated 3½ mile version of the course.

Co-Captain Harley Dow thinks that the team pushed "thumbs up" because the money gained by such a trip is needed to begin work on a dormitory for athletes here at State.

"And, of course, we can do ourselves a lot of good by beating a major opponent in a contest such as this," Dow added.

When and if the committee finds an opponent, and Texas Tech was on the lips of the Spartans as they left the room, the team will take another vote to endorse the choice.

The Spartans also chose their all-opponent team for 1949. The backfield is fast, and the line is big and hard-hitting. All the men are from the four teams that defeated the Spartans.

End—Rhode, John, COP.
End—McColl, Bill; Stanford.

All Managers of Intra Basketball Meet Today

A meeting will be held today at 2:30 in the Men's gymnasium to draw for opponents in the playoffs for the intramural basketball league.

The playoffs will be a sudden-death tourney with only the winners advancing to the finals. One loss and the team is out of the playoffs. The managers of the following teams should meet with Ted Mumby this afternoon: Murderous Marauders, Basketeers, Rams, Wee Terrace Boys, Westminster Presbyterian, Floorwalkers, PSK's, Tacoma Tigers, Garden City AC, Pratt Fratus, Blue Blades, Ghost Riders, Campus Terrorists, Red Hots, Denas Dragons, and the Racqueteers.

SJS Teacher Training Program Threatened

By BERKLEY BAKER

An emergency committee headed by Dr. William G. Sweeney, head of the San Jose State college Department of Education, was appointed at the California council on teachers education held at Yosemite recently.

The emergency has arisen since the elimination of compensation for resident teachers from the state budget. The committee which Dr. Sweeney leads will attempt to find a solution to the problem.

The danger of not having payment for resident teachers provided for in the state budget reflects upon the student teaching program. If resident teachers are not compensated for handling student teachers then their willingness to cooperate with the trainees will subside.

In a report of the meeting by Dr. Sweeney the increasing seriousness of the situation is shown.

Dr. Mather of Santa Barbara college pointed out that only one-third of his resident teachers will take students next semester.

Los Angeles public schools are serving as institutions of student teaching for 12 universities and colleges. Were their teachers to be relieved of some teaching time in order to compensate them for work with student teachers it would cost Los Angeles \$360,000 a year.

Not all localities feel the gravity of the situation yet. Areas in the Redlands university and Sacramento State college vicinity have not felt the problem.

Dr. Kendall of San Francisco State college recommended a long-term program of study combining the efforts of the California Teachers association, the Parent Teachers association and training institutions to work on the problem.

Dr. Odell of Stanford university suggested that the council initiate a long-range program and confer with the state department of education immediately to review the entire state program.

The committee of which Dr. Sweeney is chairman will work with Dr. Douglas, associate superintendent of public instruction, department of teacher training.

At its first meeting the committee adopted the following plan: 1) Dr. Douglas will investigate chances of getting a fund reinstated comparable to the fund of last year. The fund would go to the school system for aid to the resident teacher.

2) Superintendents throughout the state will be contacted for reaction of various communities to the problem.

Flying 20 Plane To Get Overhaul In Aero Lab

The Flying 20 club had its Taylorcraft airplane in the San Jose aeronautics shop for a complete overhaul, according to Bob Gross, Flying 20 president.

With the cooperation of aeronautics instructors in the Engineering department, members of the Flying 20 are painting and overhauling the plane, and equipping it for night flying.

The plane is owned on a cooperative scheme by members of the Flying 20 club, and operate it through the facilities of the San Jose municipal airport.

An opening for membership in the club, which includes a share in the ownership of the plane, exists at present. A second plane will be purchased upon the proposed expansion of Flying 20 membership.

Frosh to Discuss Tourney Plans

All freshman yell leaders are urged to meet today in B-7 at 2:30 p.m. with the freshman executive council to decide decorations and the name of the team that the freshman class is sponsoring in the Novice Boxing tournament, according to Marilyn Inman, acting chairman.

Board to Give State Tests

The California State Personnel board announced examinations for laboratory helper and laboratory assistant will be held Jan. 12, 1950. Final date for filing applications is Dec. 22. Salaries range from \$170 to \$231 for helper and \$190 to \$231 for assistant. Interested persons may contact the Placement office for further information.

Felse Appoints Assistant Manager

Appointment of Jack Martinet as assistant manager of the Spartan Book store has been announced by Graduate Manager Bill Felse.

Martinet is a former San Jose State college student.

The book shop's financial condition was described as "very good in comparison with former years," by Auditor Kenneth Wood. Mr. Wood filed an audit report for the year 1948-49 at a recent meeting of the Spartan Shop board.

The shop now has a "sizeable" cash balance, and expects to pay off a \$32,000 note in March, according to Mr. Felse. This will remove all outstanding debts.

Mr. Felse estimated that San Jose State college veterans were dividing their business about equally between the on-campus shop and the California Book store.

"We are anxious to serve veterans at the Spartan book store, and appreciate their business," he said.

Grocery Parking Lots Off Limits!

The manager of Lucky's Grocery store has notified Dean of Men Paul M. Pitman that some San Jose State college students have been parking their cars in the store's parking lot at 180 E. Santa Clara street while attending classes.

Dean Pitman said the lot is for customers of the store and indicated the manager would have cars of college students who park there towed away.

National Business Frat Initiates New Members at Meet

• Eta Mu Pi, national merchandising fraternity, will initiate nine students into that organization at a formal initiation to be held at Rick's tonight.

Mr. Charles Fleischman, treasurer of Apparel City, will be guest speaker at the affair. He will speak on the future of the apparel industry in California.

Members of the alumni, guests and members of the fraternity will be present at the affair which is to begin at 7:30 p.m.

Newman Club Hall to Stay Open Longer

The Newman club will throw the doors of its hall open to members Monday through Friday, from one 'til five p.m. for the remainder of the quarter, according to Joe Garske, president of the club.

Facilities of the club include a library, ping-pong table, bowling alley and billiards. The hall is located at 79 S. Fifth street, one-half block from the Student Union.

The Newmans will hold a retreat Sunday, Dec. 4., which will include supper at their hall. Members may bring guests.

Sign-up for the retreat will be held Monday through Friday between 10 a.m. and noon at the library arch.

A Christmas party has been planned for Dec. 15 for all members. It also will be held at Newman hall.

Geology Class Probes Mine

Approximately 35 members of Geology 110 classes probed through the rock quarry and abandoned cinnabar mine south of Oak Hill Memorial park on a recent visit. They were led in the search for representative rock specimens by Dr. Wayne E. Kartchner, associate professor of geology.

All students successfully returned from the trip through the mine after crawling on hands and knees with flashlights to see Cinnabar veins in the tunnel. The mine has been abandoned since 1946 after the wartime demand for mercury fell.

Announcements

Ski club: Meets in room 24 at 7:30 p.m.

Blue Key: Meeting in Student Union tomorrow, 6:30 p.m.

Blue Key: Meets in Student Union, 7 p.m.

Student Y Clothing Drive to Aid Foreigners

Following its successful pastry sale, the World Relatedness commission of the Student Y will hold a clothing drive Nov. 28 to Dec. 17.

Jean Justice, chairman of the commission, said the group has planned a dual system for collecting the contributed clothing. Barrels will be placed around the campus where clothes may be deposited.

For those who would prefer to have the clothes picked up, they need only phone the Student Y, CY 5-2734.

The clothes will be sent to foreign students and their families. All sizes in any type of garment will be gratefully accepted, said Miss Justice.

'Y' Youth Work Available in SJ

Mrs. Ellie Jobs, chairman of the Student Y service committee, asks students interested in working with teen-age groups to contact her at the Student Y lounge, 220 S. Seventh St.

Two college girls are needed to assist with two groups at Roosevelt Junior high school.

The YMCA needs a number of male volunteers to help with boys junior Hi-Y groups.

SJS Tri Betas To Attend Confab

San Jose State college representatives of Tri Beta will attend the Western Regional convention at Stockton Dec. 3, according to Vic Stomler, club representative. The SJS chapter will present a half hour program of discussion.

Simplification of the initiation program will be advocated by James Weybrew while activities of the local chapter will be outlined by Andrew Browne, president. Stomler will present a program for a more interesting Bios, the national journal.

Convention members will choose representatives for the National convention.

At the local meeting held yesterday plans were completed for informal initiation and a Christmas party Dec. 7. New members and new faculty members will be present.

Davis to Survey Police Program

Robert A. Davis, editor of the San Francisco Police Reporter, will visit the college today to survey the Police school program, according to Mr. Willard E. Schmidt, Police school head. Davis is a sergeant on the San Francisco Police force. The Police Reporter is the official publication of the San Francisco Police Officers association.
